

Gavin Maher

BAFS

Associate Consultant

Current Responsibility

Gavin Maher is an associate consultant in Milliman's Dublin office. Gavin joined the Dublin practice in 2019.

Professional Work Experience

Gavin's experience is primarily in the non-life and health insurance fields in both the Irish domestic and cross-border (re)insurance markets.

His expertise includes valuation and financial reporting; developing, maintaining and validating actuarial modelling systems; risk management; and other consulting work.

Gavin has extensive actuarial modelling experience. He has been involved in the development, ongoing maintenance, and validation of actuarial models in MS Excel and R. He also has experience using Milliman's own non-life reserving software, Arius, as well as other non-life reserving and pricing software packages.

Gavin has in-depth Solvency II knowledge and experience and has supported clients in meeting Solvency II requirements across the three pillars.

Gavin is also involved in the regulatory technology services provided by Milliman. His role involves monitoring regulatory updates, as well as the administration and training for Milliman's Solvency II and Outsourcing compliance assessment tools.

Education

Bachelor of Actuarial and Financial Studies,
University College Dublin
