

Eóin Stack

BAFS

Associate Consultant

Current Responsibility

Eóin Stack is an associate consultant in Milliman's Dublin office. Eóin joined the Dublin practice in 2019.

Professional Work Experience

Eóin's experience is primarily in the life assurance field in both the Irish domestic and cross-border life assurance market.

His expertise includes valuation and financial reporting; projections; PRSA determination; developing, maintaining, and validating actuarial modelling systems; actuarial outsourcing; and other consulting work.

He has worked on a variety of portfolios of business including unit-linked business, non-linked business, and guaranteed annuities.

Eóin has in-depth Solvency II knowledge and experience and has supported clients in meeting Solvency II requirements across the three pillars.

Eóin has extensive actuarial modelling experience. He has been involved in the development, ongoing maintenance, and validation of actuarial models in Milliman Mind and Python.

He also keeps up to date on developments in the area of risk management, in particular climate risk, and has written a number of briefing notes on these topics.

Education

Bachelor of Actuarial and Financial Studies,
University College Dublin
